Starhaven superstructure closed

Document number	PR-2026-009
Revision	1
Status	APPROVED
Classification	PUBLIC
Author	Perrin Tull
Approved by	Marcus Quillon
Date	2026-03-09

Coruscant Headquarters, 9 March 2026

The load-bearing frame of Starhaven was closed on 6 March 2026, when the last structural rib was joined in the southern hemisphere.

Hull plating, life support and habitation work now continues inside a complete frame.

About Empire Incorporated: Empire Incorporated designs and builds orbital habitats, shipyards and research facilities. Its flagship program, Starhaven Orbital Habitat & Shipyard, will house resident crews and build and refit civilian ships. The company is based at Coruscant Headquarters.
