Interface Control Document: Computer Core & Data Network / Internal Transit

Document number	SHV-ICD-CN-TR
Revision	C
Status	APPROVED
Classification	INTERNAL
Author	Zeva Maddox
Approved by	Idris Kalvane
Date	2025-05-12

1. Purpose

This document controls the interfaces between the Computer Core & Data Network (CN) and the Internal Transit (TR). Changes require approval by the Chief Engineer, Station Integration.

2. Interfaces

Interface	Type	Responsibility	Status
IF-CNTR-01	Mechanical	Computer Core & Data Network provides; Internal Transit receives	Agreed
IF-CNTR-02	Data	Computer Core & Data Network provides; Internal Transit receives	Agreed
IF-CNTR-03	Electrical power	Computer Core & Data Network provides; Internal Transit receives	Open
IF-CNTR-04	Grounding	Computer Core & Data Network provides; Internal Transit receives	Agreed
IF-CNTR-05	Thermal	Computer Core & Data Network provides; Internal Transit receives	Open
