Interface Control Document: Solar Collector Array / Power Distribution

Document number	SHV-ICD-SA-PD
Revision	B
Status	APPROVED
Classification	INTERNAL
Author	Tamsin Fiore
Approved by	Idris Kalvane
Date	2025-06-26

1. Purpose

This document controls the interfaces between the Solar Collector Array (SA) and the Power Distribution (PD). Changes require approval by the Chief Engineer, Station Integration.

2. Interfaces

Interface	Type	Responsibility	Status
IF-SAPD-01	Data	Solar Collector Array provides; Power Distribution receives	Agreed
IF-SAPD-02	Grounding	Solar Collector Array provides; Power Distribution receives	Open
IF-SAPD-03	Electrical power	Solar Collector Array provides; Power Distribution receives	Agreed
IF-SAPD-04	Mechanical	Solar Collector Array provides; Power Distribution receives	Agreed
IF-SAPD-05	Thermal	Solar Collector Array provides; Power Distribution receives	Agreed

3. Open items

- IF-SAPD-02: values to be confirmed at the next integration review.
